Section 1 – Introduction

This directory provides a list of Molina Medicare Complete Care network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are healthcare professionals such as doctors, medical groups, specialists, and healthcare facilities (i.e. hospitals, durable medical equipment suppliers) that are contracted with Molina Medicare Complete Care to provide you with covered services. You may use this directory to help you select a Primary Care Provider, Specialist, Long-Term Services and Support Provider, Hospital, Skilled Nursing Facility, Outpatient Mental Health Provider and/or Pharmacy.

Choosing your Primary Care Provider (PCP)

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP can be a physician, physician assistant, nurse practitioner, or other health care professional that meet state requirements and is trained to provide you basic medical care. Healthcare professionals are eligible to provide you services as a PCP in our Plan, when they are licensed to practice in areas such as: family medicine, general practice, geriatrics, or internal medicine. Once you have chosen a PCP, please make sure to transfer all of your medical history to their office, in order for your PCP to be informed of any medical conditions you may have. Your PCP can help coordinate your routine medical care, laboratory tests, x-rays, therapies, specialty care, hospital admissions, and appointments.

The network providers listed in this directory have agreed to provide you with your health care and supplemental services. You may go to any of our network providers listed in this directory. However, some services may require a referral. In most situations, if you need specialized treatment your PCP must give you a “referral” to see a network specialist. If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or that hospital. A referral is a written order from your PCP to see a specialist or receive other medical services. It is very important you get a referral from your PCP before you see a network specialist or other providers. If you do not get a referral you may have to pay for these services yourself. However, there are a few exceptions such as: women’s preventive healthcare, flu shots, Hepatitis B vaccinations, pneumonia vaccinations and urgently needed services.

If you have questions about whether we will pay for a medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

At times, your PCP may request a service that is unavailable or not provided within our network. Your PCP may need to get an approval ahead of time from Molina Medicare Complete Care to authorize this service referral. This process is called “prior authorization.” If you have questions or concerns about a prior authorization, you may call Member Services.

How to change your PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at (866) 472-45847 days a week, 8 a.m. to 8 p.m., local time. TTY users should call 711. Member Services will verify if your choice of PCP is accepting new patients. Once your new PCP has been assigned, you will receive a new member ID card by mail with your new PCP's contact information. If your PCP leaves Molina Medicare Complete Care, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

Getting care outside the Plan's service area

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Molina Medicare Complete Care will be responsible for the costs. However, you may receive care from out-of-network provider if you are temporarily outside the Plan's service area and cannot get care from a network provider or require urgently needed services. If you have questions whether a service is covered when you are outside the service area, please call Member Services.

Getting care if you have a medical emergency or an urgent need for care

A “**medical emergency**” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered emergency medical care whenever you need, anywhere in the United States. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don't need to get approval or a referral first from your doctor or other network provider.

“**Urgent Care**” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, call your PCP first. If they are not available, look in this Provider Directory for an urgent care center. You generally must use network providers (refer to the Evidence of Coverage).

Out-Of-Network Provider Bills

If you receive services from out-of-network providers, you may get billed directly. **Do not** pay this bill. Please make a copy for your records and mail the original statement for processing and determination of your liability, if any. For more information, please refer to the EOC in Chapter 7.

Sección 1 – Introducción

Este directorio enumera los proveedores actuales de la red Molina Medicare Complete Care. Para obtener información detallada acerca de su cobertura de salud, consulte su Evidencia de cobertura (EOC).

Los proveedores de la red son profesionales de atención médica, como médicos, grupos médicos, especialistas y centros de atención médica (es decir, hospitales, proveedores de equipos médicos duraderos) que tienen contrato con Molina Medicare Complete Care para prestarle los servicios cubiertos. Puede usar este directorio para elegir un proveedor de atención primaria, un especialista, un proveedor de servicios y apoyo a largo plazo, un hospital, un centro de enfermería especializada, un proveedor de salud mental para pacientes ambulatorios o una farmacia.

Cómo elegir un proveedor de atención primaria (PCP, por sus siglas en inglés)

Usted tendrá que elegir uno de los proveedores de nuestra red que se presentan en este directorio como su proveedor de atención primaria (**P**rietary **C**are **P**rovider, PCP). En general, recibirá los servicios de atención médica de su PCP. Su PCP puede ser un médico, un médico asociado, un enfermero practicante u otro profesional de la salud que cumpla los requisitos estatales y esté capacitado para brindarle atención médica básica. Los profesionales de la salud son elegibles para prestarle servicios como PCP en nuestro plan si tienen licencia para ejercer en áreas como las siguientes: medicina de familia, medicina general, geriatría o medicina interna. Una vez que haya escogido un PCP, asegúrese de transferir a su consultorio toda su historia clínica, a fin de que el PCP esté al tanto de todas las afecciones médicas que usted pueda tener. Su PCP puede ayudarle a coordinar su atención médica de rutina con sus análisis de laboratorio, radiografías, terapias, atención especializada, admisiones al hospital y citas médicas.

Los proveedores de la red que aparecen en este directorio han acordado proporcionarle atención médica y servicios complementarios. Usted puede recurrir a cualquiera de los proveedores de la red que aparecen en este directorio. No obstante, algunos servicios pueden requerir de una remisión.

En la mayoría de las situaciones, si necesita un tratamiento proporcionado por un especialista, su PCP debe darle una "remisión" para que vaya a ver a un especialista de la red. Si usted desea consultar a un especialista o usar un hospital en particular, asegúrese de verificar primero que su PCP pueda hacer remisiones a dicho especialista u hospital. Una remisión es una orden escrita de su PCP para que vea a un médico especialista o reciba otros servicios médicos. Es muy importante que obtenga la remisión de su PCP antes de visitar a un especialista de la red o a otros proveedores. Si no obtiene una remisión, es posible que tenga que pagar por estos servicios usted mismo. Sin embargo, existen ciertas excepciones, como las siguientes: atención médica preventiva para mujeres, vacunas contra la gripe, vacunas contra la hepatitis B, vacunas contra la neumonía y servicios requeridos urgentemente.

Si usted tiene alguna duda sobre si pagaremos por algún servicio o por la atención médica que esté considerando, tiene derecho a preguntar si lo cubriremos antes de recibirlo.

A veces, su PCP puede solicitarle un servicio que no esté disponible o que no se brinde dentro de nuestra red. Es posible que su PCP tenga que obtener una aprobación con anterioridad de parte de Molina Medicare Complete Care para autorizar la remisión al servicio. A este proceso se le llama "autorización previa". Si tiene preguntas o inquietudes acerca de una autorización previa, llame al Departamento de Servicios para Miembros.

¿Cómo cambiar su PCP?

Puede cambiar de PCP por cualquier razón, en cualquier momento. Para cambiar su PCP, solamente debe llamar al Departamento de Servicios para Miembros al (866) 472-4584 los 7 días de la semana, de 8 a. m. a 8 p. m., hora local. Los usuarios de TTY deberán llamar al 711. El Departamento de Servicios para Miembros verificará si el PCP que usted eligió acepta nuevos pacientes. Una vez que se le haya asignado su nuevo PCP, recibirá una nueva tarjeta de identificación de miembro por correo con la información de contacto de su PCP. Si su PCP deja a Molina Medicare Complete Care, usted será informado y le ayudaremos con el cambio a otro PCP a fin de que pueda continuar recibiendo los servicios cubiertos.

Cómo obtener atención fuera del área del servicio del plan

Usted debe utilizar proveedores de la red excepto en emergencias o situaciones de atención de urgencia, o para diálisis renal u otros servicios fuera del área. Si usted obtiene atención de proveedores externos a la red, ni Medicare ni Molina Medicare Complete Care serán responsables de los costos. Sin embargo, podrá recibir atención de un proveedor fuera de la red si se encuentra temporalmente fuera del área de servicio del plan y no puede obtener atención de un proveedor de la red, o si requiere servicios urgentes. Si tiene preguntas acerca de si un servicio determinado está cubierto cuando se encuentra fuera del área de servicio, llame al Departamento de Servicios para Miembros.

Cómo obtener atención si tiene una emergencia médica o una necesidad urgente de atención

Una "**emergencia médica**" es cuando usted cree que su salud está en grave peligro. Una emergencia médica incluye dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que empeore rápidamente. Usted puede obtener atención médica de emergencia cubierta cuando lo necesite, en cualquier lugar de los Estados Unidos. Llame al 911 para obtener ayuda o acuda a la sala de emergencias, hospital o centro de atención médica más cercano. No es necesario que primero obtenga una aprobación o remisión de su médico u otro proveedor de la red.

"**Atención urgente**" es cuando usted necesita ayuda médica debido a una enfermedad, lesión o afección no prevista, pero su salud no está en grave peligro. Si tiene una necesidad médica apremiante que no constituya una emergencia mientras se encuentre dentro del área de servicio, llame primero a su PCP. Si este no se encuentra disponible, busque un centro de cuidado urgente en este directorio de proveedores. En general, deberá usar proveedores de la red (consulte la Evidencia de cobertura).

Facturas de proveedores fuera de la red

Si recibe servicios de parte de proveedores que están fuera de la red, es posible que le facturen directamente a usted por dichos servicios. **No pague** esa factura. Haga una copia para sus registros y envíe la factura original para que la procesemos y determinemos la suma por la cual es responsable, de haberla. Para obtener más información, consulte el Capítulo 7 de la EOC.
